PMSI Launches Thought Leadership Video Series

Tampa, FL (November 8, 2011) – [PMSI](#), one of the nation’s largest and most experienced companies focused on workers’ compensation, announced the expansion of its thought leadership program to a video format. The video series, [Expert Insights](#), is delivered by PMSI’s subject matter experts and serves as a resource for timely industry updates, prospective advice and insightful perspectives on the issues and trends that affect daily decision making by business executives and claims professionals in the workers’ compensation industry.

“At PMSI, the pursuit for knowledge and insight drives us every day,” said Shelia Reed, Vice President Marketing. “Sharing knowledge not only helps our customers but also the industry as a whole. We are eager to utilize the broad capabilities of online delivery to share our expertise in all available communication outlets and deliver knowledge to the workers’ compensation industry in an easy to access format.”

Videos currently available address topics such as Mandatory Insurer Reporting, Predictive Risk Modeling, and Controlling Workers’ Compensation Spend, and feature Jay Krueger, Chief Strategy and Client Services Officer, Pat Sullivan, President of Specialty Services, and Dr. Maria Sciame, Executive Director – Clinical Services. New videos addressing other topics of industry interest will be uploaded frequently.
