

Biography

Lori Daugherty
President of Pharmacy

Lori Daugherty serves as President of PMSI's Pharmacy Division. She is responsible for managing the financial performance of the business, working collaboratively with the sales and account management teams to expand PMSI's customer base, and enhancing the operational infrastructure, processes and efficiencies that support the achievement of PMSI's leadership in pharmacy.

A proven industry leader, Lori has over 20 years of experience in the pharmacy and workers' compensation markets and is skilled at leading businesses and bringing to market innovative ideas.

Prior to joining PMSI, she served as President and CEO for Avizent, a national provider of workers' compensation claims management and alternate risk programs for self-insured employers. Her professional history also includes previously working for PMSI as Vice President of Planning and Auditing and Vice President of Operations and serving as President and CEO for One Call Comprehensive Care, Inc., a nationwide provider of pharmacy and home health care services.

Lori received her Bachelor's degree with an emphasis in Accounting from Juniata College in Huntingdon, Pennsylvania.
